INSPIRATION EDUCATION RECREATION

Houston's Museum District is one of the largest concentrations of cultural institutions in the country. Here you will find a collection of 19 museums, each with its own specialty.

The Museum District is a destination with a variety of revolving exhibitions, art collections, performances, film series, and hands-on activities. Brimming with masterpieces, cutting-edge life sciences, history, and the latest contemporary art works, the Museum District offers a wealth of inspiration and education for all ages.

Use this map to create your own experience of other cultures, ancient artifacts, history, science, and art. Take time to enjoy the gardens, plazas and delightful food at cafés that can be found at many locations.

WHAT ARE ZONES?

The Museum District is made up of four walkable, bike-able zones to easily navigate the area. Park once and visit several destinations or grab a bicycle at conveniently located BCycle stations and go on tour.
